- JUNE** Toiletries Ministry
- AUGUST** Women Shelter Community Days
Launched IW4AL Website
First Board of Directors Meeting
Held First Chat & Chew
- SEPTEMBER**
End Alzheimer's Walk
Toiletries at Metro Stations
- DECEMBER** Shelter Feeding

In order to gain a presence in the community IW4AL began to establish teams for local walks around alzheimer's and lupus. We continued our weekly prayer calls through July of 2017 and started a toiletries ministry outreach to be able to include this service during our feedings and the beginning of our taking it to the streets program distributing to unsheltered individuals. That year we served over 400 at our feedings and toiletry giveaways. We also had our first official board meeting and chat and chew for women based around biblical growth and encouragement.
